## Overview

|              |                                                           |
|--------------|-----------------------------------------------------------|
| Quantity:    | 100 µL                                                    |
| Target:      | Importin 5 (IPO5)                                         |
| Reactivity:  | Human                                                     |
| Host:        | Rabbit                                                    |
| Clonality:   | Polyclonal                                                |
| Conjugate:   | This Importin 5 antibody is conjugated to Alexa Fluor 594 |
| Application: | Please inquire                                            |

## Product Details

|                   |                          |
|-------------------|--------------------------|
| Cross-Reactivity: | Human                    |
| Characteristics:  | IPO5 Conjugated Antibody |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | Importin 5 (IPO5)                            |
| Alternative Name: | IPO5 ( <a href="#">IPO5 Products</a> )       |
| Pathways:         | <a href="#">Protein targeting to Nucleus</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
