

Datasheet for ABIN6835388

**anti-MEK2 antibody (pThr394) (Alexa Fluor 594)**[Go to Product page](#)

## Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 100 µL                                              |
| Target:              | MEK2 (MAP2K2)                                       |
| Binding Specificity: | pThr394                                             |
| Reactivity:          | Human                                               |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This MEK2 antibody is conjugated to Alexa Fluor 594 |
| Application:         | Please inquire                                      |

## Product Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Cross-Reactivity: | Human                                      |
| Characteristics:  | MEK-2 (Phospho-Thr394) Conjugated Antibody |

## Target Details

|                   |                                                                                                                                                                                                                                                                                                                                                                                |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | MEK2 (MAP2K2)                                                                                                                                                                                                                                                                                                                                                                  |
| Alternative Name: | MEK-2 ( <a href="#">MAP2K2 Products</a> )                                                                                                                                                                                                                                                                                                                                      |

Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
