

Datasheet for ABIN6838925

**anti-SUPT3H/SPT3 antibody (Alexa Fluor 594)**[Go to Product page](#)

## Overview

|              |                                                            |
|--------------|------------------------------------------------------------|
| Quantity:    | 100 µL                                                     |
| Target:      | SUPT3H/SPT3 (SUPT3H)                                       |
| Reactivity:  | Human                                                      |
| Host:        | Rabbit                                                     |
| Clonality:   | Polyclonal                                                 |
| Conjugate:   | This SUPT3H/SPT3 antibody is conjugated to Alexa Fluor 594 |
| Application: | Please inquire                                             |

## Product Details

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Cross-Reactivity: | Human                                                                        |
| Characteristics:  | Transcription initiation protein SPT3 homolog Polyclonal Conjugated Antibody |

## Target Details

|                   |                                                                                   |
|-------------------|-----------------------------------------------------------------------------------|
| Target:           | SUPT3H/SPT3 (SUPT3H)                                                              |
| Alternative Name: | Transcription initiation protein SPT3 homolog ( <a href="#">SUPT3H Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF594 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
