

Datasheet for ABIN6844920
anti-LIPF antibody (Alexa Fluor 647)

[Go to Product page](#)

Overview

Quantity:	100 µL
Target:	LIPF
Reactivity:	Human, Mouse
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This LIPF antibody is conjugated to Alexa Fluor 647
Application:	Please inquire

Product Details

Cross-Reactivity:	Human, Mouse (Murine)
Characteristics:	LIPF Conjugated Antibody

Target Details

Target:	LIPF
Alternative Name:	LIPF (LIPF Products)

Application Details

Application Notes:	AF647 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
