

Datasheet for ABIN6845396

**anti-LAT2 antibody (pTyr136) (Alexa Fluor 647)**[Go to Product page](#)

## Overview

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Quantity:            | 100 µL                                              |
| Target:              | LAT2                                                |
| Binding Specificity: | pTyr136                                             |
| Reactivity:          | Human, Mouse, Rat                                   |
| Host:                | Rabbit                                              |
| Clonality:           | Polyclonal                                          |
| Conjugate:           | This LAT2 antibody is conjugated to Alexa Fluor 647 |
| Application:         | Please inquire                                      |

## Product Details

|                   |                                          |
|-------------------|------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus)      |
| Characteristics:  | LAB (Phospho-Tyr136) Conjugated Antibody |

## Target Details

|                   |                                                                                       |
|-------------------|---------------------------------------------------------------------------------------|
| Target:           | LAT2                                                                                  |
| Alternative Name: | LAB ( <a href="#">LAT2 Products</a> )                                                 |
| Pathways:         | <a href="#">Fc-epsilon Receptor Signaling Pathway</a> , <a href="#">BCR Signaling</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF647 conjugated: most applications: 1: 50 - 1: 250 |
|--------------------|-----------------------------------------------------|

Application Details

---

Restrictions: For Research Use only

Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
