

Datasheet for ABIN6846900  
**anti-Secretin antibody (Alexa Fluor 647)**

[Go to Product page](#)

## Overview

Quantity:	100 µL
Target:	Secretin (SECR)
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This Secretin antibody is conjugated to Alexa Fluor 647
Application:	Please inquire

## Product Details

Cross-Reactivity:	Human
Characteristics:	SCT Conjugated Antibody

## Target Details

Target:	Secretin (SECR)
Alternative Name:	SCT ( <a href="#">SECR Products</a> )
Pathways:	<a href="#">Stem Cell Maintenance</a>

## Application Details

Application Notes:	AF647 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

## Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
