## **anti-Leishmanolysin-Like (Metallopeptidase M8 Family) (LMLN) antibody (Alexa Fluor 647)**

[Go to Product page](#)

### Overview

Quantity:	100 µL
Target:	Leishmanolysin-Like (Metallopeptidase M8 Family) (LMLN)
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	Alexa Fluor 647
Application:	Please inquire

### Product Details

Cross-Reactivity:	Human
Characteristics:	LMLN Conjugated Antibody

### Target Details

Target:	Leishmanolysin-Like (Metallopeptidase M8 Family) (LMLN)
Alternative Name:	LMLN ( <a href="#">LMLN Products</a> )

### Application Details

Application Notes:	AF647 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

## Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
