### Overview

|              |                                                        |
|--------------|--------------------------------------------------------|
| Quantity:    | 100 µL                                                 |
| Target:      | ALDH6A1                                                |
| Reactivity:  | Human                                                  |
| Host:        | Rabbit                                                 |
| Clonality:   | Polyclonal                                             |
| Conjugate:   | This ALDH6A1 antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                         |

### Product Details

|                   |                             |
|-------------------|-----------------------------|
| Cross-Reactivity: | Human                       |
| Characteristics:  | ALDH6A1 Conjugated Antibody |

### Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | ALDH6A1                                        |
| Alternative Name: | ALDH6A1 ( <a href="#">ALDH6A1 Products</a> )   |
| Pathways:         | <a href="#">Brown Fat Cell Differentiation</a> |

### Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
