## Overview

|              |                                                      |
|--------------|------------------------------------------------------|
| Quantity:    | 100 µL                                               |
| Target:      | FUCA1                                                |
| Reactivity:  | Human                                                |
| Host:        | Rabbit                                               |
| Clonality:   | Polyclonal                                           |
| Conjugate:   | This FUCA1 antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                       |

## Product Details

|                   |                           |
|-------------------|---------------------------|
| Cross-Reactivity: | Human                     |
| Characteristics:  | FUCA1 Conjugated Antibody |

## Target Details

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Target:           | FUCA1                                               |
| Alternative Name: | FUCA1 ( <a href="#">FUCA1 Products</a> )            |
| Pathways:         | <a href="#">Glycosaminoglycan Metabolic Process</a> |

## Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

## Handling

---

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

---

|                  |                            |
|------------------|----------------------------|
| Storage Comment: | Store at 4°C for 6 months. |
|------------------|----------------------------|
