## Overview

|              |  |
|--------------|--|
| Quantity:    | 100 µL   |
| Target:      | DCT  |
| Reactivity:  | Human, Mouse                                       |
| Host:        | Rabbit   |
| Clonality:   | Polyclonal   |
| Conjugate:   | This DCT antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                     |

## Product Details

|                   |                         |
|-------------------|-------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)   |
| Characteristics:  | DCT Conjugated Antibody |

## Target Details

|                   |                                      |
|-------------------|--------------------------------------|
| Target:           | DCT                                  |
| Alternative Name: | DCT ( <a href="#">DCT Products</a> ) |

## Application Details

|                    |  |
|--------------------|--|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

## Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
