## Recombinant anti-ITGA4 antibody (Alexa Fluor 750)

[Go to Product page](#)

### Overview

|                |                                                      |
|----------------|------------------------------------------------------|
| Quantity:      | 100 µL                                               |
| Target:        | ITGA4                                                |
| Reactivity:    | Human                                                |
| Host:          | Rabbit                                               |
| Antibody Type: | Recombinant Antibody                                 |
| Clonality:     | Monoclonal                                           |
| Conjugate:     | This ITGA4 antibody is conjugated to Alexa Fluor 750 |
| Application:   | Please inquire                                       |

### Product Details

|                   |                                      |
|-------------------|--------------------------------------|
| Cross-Reactivity: | Human                                |
| Characteristics:  | Integrin alpha 4 Conjugated Antibody |

### Target Details

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Target:           | ITGA4                                               |
| Alternative Name: | Integrin alpha 4 ( <a href="#">ITGA4 Products</a> ) |
| Pathways:         | <a href="#">Integrin Complex</a>                    |

### Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
|--------------------|----------------------------------------------|

Application Details

---

Restrictions: For Research Use only

Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
