## anti-14-3-3 theta antibody (Alexa Fluor 750)

[Go to Product page](#)

### Overview

|              |                                                             |
|--------------|-------------------------------------------------------------|
| Quantity:    | 100 µL                                                      |
| Target:      | 14-3-3 theta (YWHAQ)                                        |
| Reactivity:  | Human, Mouse, Rat                                           |
| Host:        | Rabbit                                                      |
| Clonality:   | Polyclonal                                                  |
| Conjugate:   | This 14-3-3 theta antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                              |

### Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | 14-3-3 theta Conjugated Antibody    |

### Target Details

|                   |                                                                                   |
|-------------------|-----------------------------------------------------------------------------------|
| Target:           | 14-3-3 theta (YWHAQ)                                                              |
| Alternative Name: | 14-3-3 theta ( <a href="#">YWHAQ Products</a> )                                   |
| Pathways:         | <a href="#">Apoptosis</a> , <a href="#">Myometrial Relaxation and Contraction</a> |

### Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

## Handling

---

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

---

|                  |                            |
|------------------|----------------------------|
| Storage Comment: | Store at 4°C for 6 months. |
|------------------|----------------------------|
