## Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | GABRA6                                                |
| Reactivity:  | Human, Rat, Mouse                                     |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This GABRA6 antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                        |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | GABRA6 Conjugated Antibody          |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | GABRA6                                     |
| Alternative Name: | GABRA6 ( <a href="#">GABRA6 Products</a> ) |
| Pathways:         | <a href="#">Synaptic Membrane</a>          |

## Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
