## anti-UGT1A1 antibody (Alexa Fluor 750)

[Go to Product page](#)

### Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | UGT1A1                                                |
| Reactivity:  | Human, Mouse, Rat                                     |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This UGT1A1 antibody is conjugated to Alexa Fluor 750 |
| Application: | Please inquire                                        |

### Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | UGT1A1 Conjugated Antibody          |

### Target Details

|                   |                                                                                           |
|-------------------|-------------------------------------------------------------------------------------------|
| Target:           | UGT1A1                                                                                    |
| Alternative Name: | UGT1A1 ( <a href="#">UGT1A1 Products</a> )                                                |
| Pathways:         | <a href="#">Steroid Hormone Biosynthesis, Regulation of Lipid Metabolism by PPARalpha</a> |

### Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | AF750 conjugated: Western blot: 1: 100-1,000 |
| Restrictions:      | For Research Use only                        |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
