

Datasheet for ABIN6873723

**Recombinant anti-NQO2 antibody (Biotin)**[Go to Product page](#)

## Overview

|                |                                            |
|----------------|--------------------------------------------|
| Quantity:      | 100 µL                                     |
| Target:        | NQO2                                       |
| Reactivity:    | Human, Mouse, Rat                          |
| Host:          | Rabbit                                     |
| Antibody Type: | Recombinant Antibody                       |
| Clonality:     | Monoclonal                                 |
| Conjugate:     | This NQO2 antibody is conjugated to Biotin |
| Application:   | Please inquire                             |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | NQO2 Conjugated Antibody            |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | NQO2                                   |
| Alternative Name: | NQO2 ( <a href="#">NQO2 Products</a> ) |

## Application Details

|                    |                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Biotin conjugated: Working with enzyme-conjugated streptavidin. ELISA: 1: 200 - 1: 1,000;<br>Western Blot: 1: 200 - 1: 1,000; IHC/ICC: 1: 100 - 1: 500; Flow Cytometry: 1: 50 - 1: 250; IF: 1: 100<br>- 1: 500. |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Application Details

---

Restrictions: For Research Use only

Handling

---

Storage: 4 °C

---

Storage Comment: Store at 4°C for 6 months.
