## anti-Topoisomerase II alpha antibody (pSer1213) (Biotin)

[Go to Product page](#)

### Overview

|                      |                                                              |
|----------------------|--------------------------------------------------------------|
| Quantity:            | 100 µL                                                       |
| Target:              | Topoisomerase II alpha (TOP2A)                               |
| Binding Specificity: | pSer1213                                                     |
| Reactivity:          | Human, Mouse                                                 |
| Host:                | Rabbit                                                       |
| Clonality:           | Polyclonal                                                   |
| Conjugate:           | This Topoisomerase II alpha antibody is conjugated to Biotin |
| Application:         | Please inquire                                               |

### Product Details

|                   |                                             |
|-------------------|---------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)                       |
| Characteristics:  | TOP2A (Phospho-Ser1213) Conjugated Antibody |

### Target Details

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Target:           | Topoisomerase II alpha (TOP2A)                              |
| Alternative Name: | TOP2A ( <a href="#">TOP2A Products</a> )                    |
| Pathways:         | <a href="#">Cell Division Cycle, Mitotic G1-G1/S Phases</a> |

### Application Details

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Application Notes: | Biotin conjugated: Working with enzyme-conjugated streptavidin. ELISA: 1: 200 - 1: 1,000; |
|--------------------|-------------------------------------------------------------------------------------------|

Application Details

Western Blot: 1: 200 - 1: 1,000; IHC/ICC: 1: 100 - 1: 500; Flow Cytometry: 1: 50 - 1: 250; IF: 1: 100 - 1: 500.

Restrictions: For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
