

Datasheet for ABIN6880188

**Recombinant anti-SMAD4 antibody (Biotin)**[Go to Product page](#)

## Overview

|                |                                             |
|----------------|---------------------------------------------|
| Quantity:      | 100 µL                                      |
| Target:        | SMAD4                                       |
| Reactivity:    | Human, Mouse, Rat                           |
| Host:          | Rabbit                                      |
| Antibody Type: | Recombinant Antibody                        |
| Clonality:     | Monoclonal                                  |
| Conjugate:     | This SMAD4 antibody is conjugated to Biotin |
| Application:   | Please inquire                              |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | Smad4 Conjugated Antibody           |

## Target Details

|                   |                                                                                                     |
|-------------------|-----------------------------------------------------------------------------------------------------|
| Target:           | SMAD4                                                                                               |
| Alternative Name: | Smad4 ( <a href="#">SMAD4 Products</a> )                                                            |
| Pathways:         | <a href="#">Cell Division Cycle</a> , <a href="#">Chromatin Binding</a> , <a href="#">Autophagy</a> |

## Application Details

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Application Notes: | Biotin conjugated: Working with enzyme-conjugated streptavidin. ELISA: 1: 200 - 1: 1,000; |
|--------------------|-------------------------------------------------------------------------------------------|

Application Details

Western Blot: 1: 200 - 1: 1,000; IHC/ICC: 1: 100 - 1: 500; Flow Cytometry: 1: 50 - 1: 250; IF: 1: 100 - 1: 500.

Restrictions: For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
