### Overview

|              |                                            |
|--------------|--------------------------------------------|
| Quantity:    | 100 µL                                     |
| Target:      | PIM3                                       |
| Reactivity:  | Human, Mouse                               |
| Host:        | Rabbit                                     |
| Clonality:   | Polyclonal                                 |
| Conjugate:   | This PIM3 antibody is conjugated to Biotin |
| Application: | Please inquire                             |

### Product Details

|                   |                          |
|-------------------|--------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)    |
| Characteristics:  | PIM3 Conjugated Antibody |

### Target Details

|                   |                                                          |
|-------------------|----------------------------------------------------------|
| Target:           | PIM3                                                     |
| Alternative Name: | PIM3 ( <a href="#">PIM3 Products</a> )                   |
| Pathways:         | <a href="#">Negative Regulation of Hormone Secretion</a> |

### Application Details

|                    |                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes: | Biotin conjugated: Working with enzyme-conjugated streptavidin. ELISA: 1: 200 - 1: 1,000;<br>Western Blot: 1: 200 - 1: 1,000; IHC/ICC: 1: 100 - 1: 500; Flow Cytometry: 1: 50 - 1: 250; IF: 1: 100<br>- 1: 500. |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
