

Datasheet for ABIN6884380

**anti-PI3K p85/p55 antibody (Alexa Fluor 555)**[Go to Product page](#)

## Overview

|              |                                                             |
|--------------|-------------------------------------------------------------|
| Quantity:    | 100 µL                                                      |
| Target:      | PI3K p85/p55                                                |
| Reactivity:  | Human, Mouse, Rat                                           |
| Host:        | Rabbit                                                      |
| Clonality:   | Polyclonal                                                  |
| Conjugate:   | This PI3K p85/p55 antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire                                              |

## Product Details

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus)                |
| Characteristics:  | PI3 Kinase p85/p55(Ab-467/199) Conjugated Antibody |

## Target Details

|                   |                                                              |
|-------------------|--------------------------------------------------------------|
| Target:           | PI3K p85/p55                                                 |
| Alternative Name: | PI3 Kinase p85/p55 ( <a href="#">PI3K p85/p55 Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
