

Datasheet for ABIN6889024

**anti-SLC26A2 antibody (Alexa Fluor 555)**[Go to Product page](#)

## Overview

|              |                                                        |
|--------------|--------------------------------------------------------|
| Quantity:    | 100 µL                                                 |
| Target:      | SLC26A2                                                |
| Reactivity:  | Human                                                  |
| Host:        | Rabbit                                                 |
| Clonality:   | Polyclonal                                             |
| Conjugate:   | This SLC26A2 antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire                                         |

## Product Details

|                   |                             |
|-------------------|-----------------------------|
| Cross-Reactivity: | Human                       |
| Characteristics:  | SLC26A2 Conjugated Antibody |

## Target Details

|                   |                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------|
| Target:           | SLC26A2                                                                                                   |
| Alternative Name: | SLC26A2 ( <a href="#">SLC26A2 Products</a> )                                                              |
| Pathways:         | <a href="#">Glycosaminoglycan Metabolic Process</a> , <a href="#">Ribonucleoside Biosynthetic Process</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
