## Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | POLR3H                                                |
| Reactivity:  | Human, Mouse, Rat                                     |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This POLR3H antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire                                        |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | RPC8 Conjugated Antibody            |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | POLR3H                                   |
| Alternative Name: | RPC8 ( <a href="#">POLR3H Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
