## Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | POLR1E                                                |
| Reactivity:  | Human                                                 |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This POLR1E antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire                                        |

## Product Details

|                   |                            |
|-------------------|----------------------------|
| Cross-Reactivity: | Human                      |
| Characteristics:  | POLR1E Conjugated Antibody |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | POLR1E                                     |
| Alternative Name: | POLR1E ( <a href="#">POLR1E Products</a> ) |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
