

Datasheet for ABIN6894722

**anti-GABBR1 antibody (Alexa Fluor 555)**[Go to Product page](#)

## Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | GABBR1                                                |
| Reactivity:  | Human, Rat, Mouse                                     |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This GABBR1 antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire                                        |

## Product Details

|                   |                                     |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics:  | GABBR1 Conjugated Antibody          |

## Target Details

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Target:           | GABBR1                                                                                   |
| Alternative Name: | GABBR1 ( <a href="#">GABBR1 Products</a> )                                               |
| Pathways:         | <a href="#">Positive Regulation of Peptide Hormone Secretion, cAMP Metabolic Process</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
