

Datasheet for ABIN6897036
anti-SPDYA antibody (Alexa Fluor 555)

[Go to Product page](#)

Overview

| | |
|--------------|--|
| Quantity: | 100 µL |
| Target: | SPDYA |
| Reactivity: | Human, Rat, Mouse |
| Host: | Rabbit |
| Clonality: | Polyclonal |
| Conjugate: | This SPDYA antibody is conjugated to Alexa Fluor 555 |
| Application: | Please inquire |

Product Details

| | |
|-------------------|-------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus) |
| Characteristics: | SPDYA Conjugated Antibody |

Target Details

| | |
|-------------------|--|
| Target: | SPDYA |
| Alternative Name: | SPDYA (SPDYA Products) |

Application Details

| | |
|--------------------|---|
| Application Notes: | AF555 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions: | For Research Use only |

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
