

Datasheet for ABIN6898452
**anti-Leishmanolysin-Like (Metallopeptidase M8 Family)
(LMLN) antibody (Alexa Fluor 555)**

[Go to Product page](#)

Overview

Quantity:	100 µL
Target:	Leishmanolysin-Like (Metallopeptidase M8 Family) (LMLN)
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	Alexa Fluor 555
Application:	Please inquire

Product Details

Cross-Reactivity:	Human
Characteristics:	LMLN Conjugated Antibody

Target Details

Target:	Leishmanolysin-Like (Metallopeptidase M8 Family) (LMLN)
Alternative Name:	LMLN (LMLN Products)

Application Details

Application Notes:	AF555 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
