Datasheet for ABIN6898753

anti-L-Ascorbate Peroxidase 2 (APX2) antibody (Alexa Fluor 555)

Overview

Quantity:	100 µL
Target:	L-Ascorbate Peroxidase 2 (APX2)
Reactivity:	Arabidopsis thaliana
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	Alexa Fluor 555
Application:	Please inquire

Product Details

Cross-Reactivity:	Arabidopsis thaliana
Characteristics:	APX2 Polyclonal Conjugated Antibody

Target Details

Target:	L-Ascorbate Peroxidase 2 (APX2)
Alternative Name:	APX2 (APX2 Products)

Application Details

Application Notes:	AF555 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
