

Datasheet for ABIN6899577

anti-Arylsulfatase D antibody (Alexa Fluor 680)[Go to Product page](#)

Overview

Quantity:	100 µL
Target:	Arylsulfatase D (ARSD)
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This Arylsulfatase D antibody is conjugated to Alexa Fluor 680
Application:	Please inquire

Product Details

Cross-Reactivity:	Human
Characteristics:	ARSD Conjugated Antibody

Target Details

Target:	Arylsulfatase D (ARSD)
Alternative Name:	ARSD (ARSD Products)

Application Details

Application Notes:	AF680 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage:	4 °C
Storage Comment:	Store at 4°C for 6 months.
