## Overview

|              |                                                     |
|--------------|-----------------------------------------------------|
| Quantity:    | 100 µL                                              |
| Target:      | BRD4                                                |
| Reactivity:  | Human, Mouse                                        |
| Host:        | Rabbit                                              |
| Clonality:   | Polyclonal                                          |
| Conjugate:   | This BRD4 antibody is conjugated to Alexa Fluor 680 |
| Application: | Please inquire                                      |

## Product Details

|                   |                          |
|-------------------|--------------------------|
| Cross-Reactivity: | Human, Mouse (Murine)    |
| Characteristics:  | BRD4 Conjugated Antibody |

## Target Details

|                   |                                                                                    |
|-------------------|------------------------------------------------------------------------------------|
| Target:           | BRD4                                                                               |
| Alternative Name: | BRD4 ( <a href="#">BRD4 Products</a> )                                             |
| Pathways:         | <a href="#">Chromatin Binding</a> , <a href="#">SARS-CoV-2 Protein Interactome</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF680 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

## Handling

---

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

---

|                  |                            |
|------------------|----------------------------|
| Storage Comment: | Store at 4°C for 6 months. |
|------------------|----------------------------|
