

Datasheet for ABIN6900949

**anti-FGF23 antibody (Alexa Fluor 680)**[Go to Product page](#)

## Overview

|              |                                                      |
|--------------|------------------------------------------------------|
| Quantity:    | 100 µL                                               |
| Target:      | FGF23                                                |
| Reactivity:  | Rat                                                  |
| Host:        | Rabbit                                               |
| Clonality:   | Polyclonal                                           |
| Conjugate:   | This FGF23 antibody is conjugated to Alexa Fluor 680 |
| Application: | Please inquire                                       |

## Product Details

|                   |                                                            |
|-------------------|------------------------------------------------------------|
| Cross-Reactivity: | Rat (Rattus)                                               |
| Characteristics:  | Fibroblast growth factor 23 Polyclonal Conjugated Antibody |

## Target Details

|                   |                                                                                                                                                                                                                                            |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | FGF23                                                                                                                                                                                                                                      |
| Alternative Name: | Fibroblast growth factor 23 ( <a href="#">FGF23 Products</a> )                                                                                                                                                                             |
| Pathways:         | <a href="#">RTK Signaling</a> , <a href="#">Fc-epsilon Receptor Signaling Pathway</a> , <a href="#">EGFR Signaling Pathway</a> , <a href="#">Neurotrophin Signaling Pathway</a> , <a href="#">Negative Regulation of Hormone Secretion</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF680 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
