

Datasheet for ABIN6908289

**anti-UGT1A6 antibody (Alexa Fluor 680)**[Go to Product page](#)

## Overview

|              |                                                       |
|--------------|-------------------------------------------------------|
| Quantity:    | 100 µL                                                |
| Target:      | UGT1A6                                                |
| Reactivity:  | Human                                                 |
| Host:        | Rabbit                                                |
| Clonality:   | Polyclonal                                            |
| Conjugate:   | This UGT1A6 antibody is conjugated to Alexa Fluor 680 |
| Application: | Please inquire                                        |

## Product Details

|                   |                            |
|-------------------|----------------------------|
| Cross-Reactivity: | Human                      |
| Characteristics:  | UGT1A6 Conjugated Antibody |

## Target Details

|                   |                                                                                           |
|-------------------|-------------------------------------------------------------------------------------------|
| Target:           | UGT1A6                                                                                    |
| Alternative Name: | UGT1A6 ( <a href="#">UGT1A6 Products</a> )                                                |
| Pathways:         | <a href="#">Steroid Hormone Biosynthesis, Regulation of Lipid Metabolism by PPARalpha</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF680 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
