## Overview

|              |                                                     |
|--------------|-----------------------------------------------------|
| Quantity:    | 100 µL                                              |
| Target:      | FZD2                                                |
| Reactivity:  | Human, Rat                                          |
| Host:        | Rabbit                                              |
| Clonality:   | Polyclonal                                          |
| Conjugate:   | This FZD2 antibody is conjugated to Alexa Fluor 680 |
| Application: | Please inquire                                      |

## Product Details

|                   |                          |
|-------------------|--------------------------|
| Cross-Reactivity: | Human, Rat (Rattus)      |
| Characteristics:  | FZD2 Conjugated Antibody |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | FZD2                                   |
| Alternative Name: | FZD2 ( <a href="#">FZD2 Products</a> ) |
| Pathways:         | <a href="#">WNT Signaling</a>          |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF680 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

## Handling

---

|          |      |
|----------|------|
| Storage: | 4 °C |
|----------|------|

---

|                  |                            |
|------------------|----------------------------|
| Storage Comment: | Store at 4°C for 6 months. |
|------------------|----------------------------|
