

Datasheet for ABIN6910902

## anti-Glucocorticoid Receptor antibody (Alexa Fluor 680)

[Go to Product page](#)

### Overview

|              |                                                                        |
|--------------|------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                 |
| Target:      | Glucocorticoid Receptor (NR3C1)                                        |
| Reactivity:  | Human, Mouse, Rat                                                      |
| Host:        | Rabbit                                                                 |
| Clonality:   | Polyclonal                                                             |
| Conjugate:   | This Glucocorticoid Receptor antibody is conjugated to Alexa Fluor 680 |
| Application: | Please inquire                                                         |

### Product Details

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Cross-Reactivity: | Human, Mouse (Murine), Rat (Rattus)                              |
| Characteristics:  | Glucocorticoid receptor/GR Rabbit Polyclonal Conjugated Antibody |

### Target Details

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | Glucocorticoid Receptor (NR3C1)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Alternative Name: | Glucocorticoid receptor/GR ( <a href="#">NR3C1 Products</a> )                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF680 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
