Datasheet for ABIN6916285
anti-PIGW antibody (Alexa Fluor 647)

Overview

Quantity:	100 µL
Target:	PIGW
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This PIGW antibody is conjugated to Alexa Fluor 647
Application:	Please inquire

Product Details

Cross-Reactivity:	Human
Characteristics:	PIGW Conjugated Antibody

Target Details

Target:	PIGW
Alternative Name:	PIGW (PIGW Products)
Pathways:	Inositol Metabolic Process

Application Details

Application Notes:	AF647 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage: 4 °C

Storage Comment: Store at 4°C for 6 months.
