

Datasheet for ABIN6921580
anti-UNCX antibody (Alexa Fluor 647)

[Go to Product page](#)

Overview

Quantity:	100 µL
Target:	UNCX
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This UNCX antibody is conjugated to Alexa Fluor 647
Application:	Please inquire

Product Details

Cross-Reactivity:	Human
Characteristics:	UNCX Conjugated Antibody

Target Details

Target:	UNCX
Alternative Name:	UNCX (UNCX Products)

Application Details

Application Notes:	AF647 conjugated: most applications: 1: 50 - 1: 250
Restrictions:	For Research Use only

Handling

Storage:	4 °C
Storage Comment:	Store at 4°C for 6 months.
