

Datasheet for ABIN6922667

**anti-DDX23 antibody (Alexa Fluor 647)**[Go to Product page](#)

## Overview

|              |                                                      |
|--------------|------------------------------------------------------|
| Quantity:    | 100 µL                                               |
| Target:      | DDX23                                                |
| Reactivity:  | Human                                                |
| Host:        | Rabbit                                               |
| Clonality:   | Polyclonal                                           |
| Conjugate:   | This DDX23 antibody is conjugated to Alexa Fluor 647 |
| Application: | Please inquire                                       |

## Product Details

|                   |                           |
|-------------------|---------------------------|
| Cross-Reactivity: | Human                     |
| Characteristics:  | DDX23 Conjugated Antibody |

## Target Details

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Target:           | DDX23                                                          |
| Alternative Name: | DDX23 ( <a href="#">DDX23 Products</a> )                       |
| Pathways:         | <a href="#">Ribonucleoprotein Complex Subunit Organization</a> |

## Application Details

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Notes: | AF647 conjugated: most applications: 1: 50 - 1: 250 |
| Restrictions:      | For Research Use only                               |

Handling

---

|                  |                            |
|------------------|----------------------------|
| Storage:         | 4 °C                       |
| Storage Comment: | Store at 4°C for 6 months. |
