

Datasheet for ABIN6986004

**anti-KLHDC7B antibody (AA 431-530) (Cy7)**[Go to Product page](#)

## Overview

|                      |                                                                                                                                   |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                            |
| Target:              | KLHDC7B                                                                                                                           |
| Binding Specificity: | AA 431-530                                                                                                                        |
| Reactivity:          | Human, Rat                                                                                                                        |
| Host:                | Rabbit                                                                                                                            |
| Clonality:           | Polyclonal                                                                                                                        |
| Conjugate:           | This KLHDC7B antibody is conjugated to Cy7                                                                                        |
| Application:         | Western Blotting (WB), Immunofluorescence (Paraffin-embedded Sections) (IF (p)),<br>Immunofluorescence (Cultured Cells) (IF (cc)) |

## Product Details

|                       |                                                             |
|-----------------------|-------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human KLHDC7B |
| Isotype:              | IgG                                                         |
| Cross-Reactivity:     | Human, Rat                                                  |
| Predicted Reactivity: | Mouse,Cow,Pig                                               |
| Purification:         | Purified by Protein A.                                      |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | KLHDC7B                                      |
| Alternative Name: | KLHDC7B ( <a href="#">KLHDC7B Products</a> ) |

### Target Details

|             |                                                                                                           |
|-------------|-----------------------------------------------------------------------------------------------------------|
| Background: | Optional[synonyms]: Kelch domain containing 7B, Kelch domain-containing protein 7B, KLD7B_HUMAN, KLHDC7B, |
| Gene ID:    | 113730                                                                                                    |
| UniProt:    | <a href="#">Q96G42</a>                                                                                    |

### Application Details

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Application Notes: | IF(IHC-P) 1:50-200<br>IF(IHC-F) 1:50-200<br>IF(ICC) 1:50-200 |
| Restrictions:      | For Research Use only                                        |

### Handling

|                    |                                                                                                                    |
|--------------------|--------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                             |
| Concentration:     | 1 µg/µL                                                                                                            |
| Buffer:            | Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.        |
| Preservative:      | ProClin                                                                                                            |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                             |
| Storage Comment:   | Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.                                  |
| Expiry Date:       | 12 months                                                                                                          |
