**anti-Zinc Finger Protein 185 antibody (AA 551-650) (PE)**[Go to Product page](#)

## Overview

|                      |                                                           |
|----------------------|-----------------------------------------------------------|
| Quantity:            | 100 µL                                                    |
| Target:              | Zinc Finger Protein 185 (ZNF185)                          |
| Binding Specificity: | AA 551-650                                                |
| Reactivity:          | Human                                                     |
| Host:                | Rabbit                                                    |
| Clonality:           | Polyclonal                                                |
| Conjugate:           | This Zinc Finger Protein 185 antibody is conjugated to PE |
| Application:         | Western Blotting (WB), Flow Cytometry (FACS)              |

## Product Details

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human ZNF185 |
| Isotype:              | IgG                                                        |
| Cross-Reactivity:     | Human                                                      |
| Predicted Reactivity: | Mouse,Rat,Dog                                              |
| Purification:         | Purified by Protein A.                                     |

## Target Details

|                   |                                                                            |
|-------------------|----------------------------------------------------------------------------|
| Target:           | Zinc Finger Protein 185 (ZNF185)                                           |
| Alternative Name: | ZNF185 ( <a href="#">ZNF185 Products</a> )                                 |
| Background:       | Synonyms: Zinc finger protein 185, LIM domain protein ZNF185, P1-A, ZNF185 |

## Target Details

Background: May be involved in the regulation of cellular proliferation and/or differentiation.

Gene ID: 7739

UniProt: [O15231](#)

## Application Details

Application Notes: FCM 1:20-100

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 1 µg/µL

Buffer: Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.

Expiry Date: 12 months
