

Datasheet for ABIN7094699

**anti-STK26/MST4 antibody (Internal Region)**[Go to Product page](#)

## Overview

|                      |                                                                                                              |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                       |
| Target:              | STK26/MST4 (MST4)                                                                                            |
| Binding Specificity: | Internal Region                                                                                              |
| Reactivity:          | Human, Mouse, Rat                                                                                            |
| Host:                | Rabbit                                                                                                       |
| Clonality:           | Polyclonal                                                                                                   |
| Conjugate:           | This STK26/MST4 antibody is un-conjugated                                                                    |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunofluorescence (IF), Immunocytochemistry (ICC) |

## Product Details

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| Immunogen:            | A synthesized peptide derived from human MST4, corresponding to a region within the internal amino acids. |
| Isotype:              | IgG                                                                                                       |
| Specificity:          | MST4 Antibody detects endogenous levels of total MST4.                                                    |
| Predicted Reactivity: | Pig,Zebrafish,Bovine,Horse,Sheep,Rabbit,Dog,Chicken,Xenopus                                               |

## Target Details

|                   |                                         |
|-------------------|-----------------------------------------|
| Target:           | STK26/MST4 (MST4)                       |
| Alternative Name: | STK26 ( <a href="#">MST4 Products</a> ) |

## Target Details

Gene ID: 51765

UniProt: [Q9P289](#)

## Application Details

Application Notes: WB 1:500-1:2000, IF/ICC 1:100-1:500, IHC 1:50-1:200, ELISA(peptide) 1:20000-1:40000

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: Rabbit IgG in phosphate buffered saline , pH 7.4, 150 mM NaCl, 0.02 % sodium azide and 50 % glycerol.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20 °C. Stable for 12 months from date of receipt.

Expiry Date: 12 months
