

Datasheet for ABIN7117748

**anti-Pre-mRNA Branch Site Protein p14 (SF3B14) antibody**[Go to Product page](#)

## Overview

|              |                                           |
|--------------|-------------------------------------------|
| Quantity:    | 100 µg                                    |
| Target:      | Pre-mRNA Branch Site Protein p14 (SF3B14) |
| Reactivity:  | Human, Mouse, Rat                         |
| Host:        | Rabbit                                    |
| Clonality:   | Polyclonal                                |
| Conjugate:   | Un-conjugated                             |
| Application: | Western Blotting (WB), ELISA              |

## Product Details

|               |                                    |
|---------------|------------------------------------|
| Immunogen:    | splicing factor 3B, 14 kDa subunit |
| Isotype:      | IgG                                |
| Purification: | Immunogen affinity purified        |
| Purity:       | ≥95 % as determined by SDS-PAGE    |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | Pre-mRNA Branch Site Protein p14 (SF3B14)  |
| Alternative Name: | SF3B14 ( <a href="#">SF3B14 Products</a> ) |
| Background:       | Synonyms: Background:                      |
| Molecular Weight: | 14 kDa                                     |
| UniProt:          | <a href="#">Q9Y3B4</a>                     |

## Application Details

|                    |                       |
|--------------------|-----------------------|
| Application Notes: | WB: 1:500-1:2000      |
| Restrictions:      | For Research Use only |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | PBS with 0.02 % sodium azide and 50 % glycerol pH 7.3,                                                                 |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | -20°C for 12 months (Avoid repeated freeze / thaw cycles.)                                                             |
| Expiry Date:       | 12 months                                                                                                              |
