Datasheet for ABIN7135874  
**anti-PPP6C antibody**

### Overview

|              |                                      |
|--------------|--------------------------------------|
| Quantity:    | 100 µL                               |
| Target:      | PPP6C                                |
| Reactivity:  | Human                                |
| Host:        | Rabbit                               |
| Clonality:   | Polyclonal                           |
| Conjugate:   | This PPP6C antibody is un-conjugated |
| Application: | Western Blotting (WB), ELISA         |
