### anti-TCEA1 antibody

[Go to Product page](#)

#### Overview

|              |                                                          |
|--------------|----------------------------------------------------------|
| Quantity:    | 100 µL                                                   |
| Target:      | TCEA1                                                    |
| Reactivity:  | Human                                                    |
| Host:        | Rabbit                                                   |
| Clonality:   | Polyclonal                                               |
| Conjugate:   | This TCEA1 antibody is un-conjugated                     |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), ELISA |

#### Product Details

|                   |                           |
|-------------------|---------------------------|
| Immunogen:        | Human SII-TFIIS,TCEA1     |
| Isotype:          | IgG                       |
| Cross-Reactivity: | Human, Mouse, Rat         |
| Purification:     | Antigen Affinity purified |

#### Target Details

|                   |                                                                                                                                                                                                                                                                                                                                                                             |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | TCEA1                                                                                                                                                                                                                                                                                                                                                                       |
| Alternative Name: | TCEA1 ( <a href="#">TCEA1 Products</a> )                                                                                                                                                                                                                                                                                                                                    |
| Background:       | GTF2S antibody, SII antibody, TCEA antibody, Tcea1 antibody, TCEA1_HUMAN antibody, TF2S antibody, TFIIS antibody, Transcription elongation factor A (SII) 1 antibody, Transcription elongation factor A protein 1 antibody, Transcription elongation factor A, 1 antibody, Transcription elongation factor S-II protein 1 antibody, Transcription elongation factor TFIIS.o |

## Target Details

antibody

UniProt: [P23193](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: PBS with 0.1 % Sodium Azide, 50 % Glycerol, pH 7.3. -20 °C, Avoid freeze / thaw cycles.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C, -80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
