**anti-Caspase 7 antibody (AA 24-198) (HRP)**[Go to Product page](#)

## Overview

|                      |                                              |
|----------------------|----------------------------------------------|
| Quantity:            | 100 µg                                       |
| Target:              | Caspase 7 (CASP7)                            |
| Binding Specificity: | AA 24-198                                    |
| Reactivity:          | Human                                        |
| Host:                | Rabbit                                       |
| Clonality:           | Polyclonal                                   |
| Conjugate:           | This Caspase 7 antibody is conjugated to HRP |
| Application:         | ELISA                                        |

## Product Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Immunogen:        | Recombinant Human Caspase-7 protein (24-198AA) |
| Isotype:          | IgG                                            |
| Cross-Reactivity: | Human                                          |
| Purification:     | >95%, Protein G purified                       |

## Target Details

|                   |                                                                                                                                                                                |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | Caspase 7 (CASP7)                                                                                                                                                              |
| Alternative Name: | CASP7 ( <a href="#">CASP7 Products</a> )                                                                                                                                       |
| Background:       | Apoptosis-related cysteine peptidase antibody, Apoptotic protease Mch-3 antibody, CASP-7 antibody, CASP7 antibody, CASP7_HUMAN antibody, Caspase-7 subunit p11 antibody, CMH-1 |

## Target Details

antibody, ICE-LAP3 antibody, ICE-like apoptotic protease 3 antibody

UniProt: [P55210](#)

Pathways: [Apoptosis](#), [Caspase Cascade in Apoptosis](#), [Positive Regulation of Endopeptidase Activity](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C, -80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
