Datasheet for ABIN7147546  
**anti-HUS1B antibody (AA 37-113) (Biotin)**

### Overview

|                      |   |
|----------------------|---|
| Quantity:            | 100 µL                                      |
| Target:              | HUS1B                                       |
| Binding Specificity: | AA 37-113                                   |
| Reactivity:          | Human                                       |
| Host:                | Rabbit                                      |
| Clonality:           | Polyclonal                                  |
| Conjugate:           | This HUS1B antibody is conjugated to Biotin |
| Application:         | ELISA                                       |

### Product Details

|                   |   |
|-------------------|---|
| Immunogen:        | Recombinant Human Checkpoint protein HUS1B protein (37-113AA) |
| Isotype:          | IgG   |
| Cross-Reactivity: | Human   |
| Purification:     | >95%, Protein G purified                                      |

### Target Details

|                   |  |
|-------------------|--|
| Target:           | HUS1B  |
| Alternative Name: | HUS1B ( <a href="#">HUS1B Products</a> )   |
| Background:       | Background: checkpoint clamp complex, site of double-strand break, double-strand break repair via homologous recombination, intra-S DNA damage checkpoint, meiotic DNA integrity |

## Target Details

---

checkpoint, mitotic DNA replication checkpoint, nucleotide-excision repair

Aliases: HUS1B antibody, Checkpoint protein HUS1B antibody, hHUS1B antibody

---

UniProt: [Q8NHY5](#)

---

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

---

## Handling

---

Format: Liquid

---

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, pH 7.4

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: -20 °C,-80 °C

---

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.

---
