## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 100 µg                                    |
| Target:              | FBXO4                                     |
| Binding Specificity: | AA 201-500                                |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This FBXO4 antibody is conjugated to FITC |
| Application:         | Please inquire                            |

## Product Details

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Immunogen:        | Recombinant Human F-box only protein 40 protein (201-500AA) |
| Isotype:          | IgG                                                         |
| Cross-Reactivity: | Human                                                       |
| Purification:     | >95%, Protein G purified                                    |

## Target Details

|                   |                                                                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | FBXO4                                                                                                                                                       |
| Alternative Name: | FBXO4 ( <a href="#">FBXO4 Products</a> )                                                                                                                    |
| Background:       | Background: Probable substrate-recognition component of the SCF (SKP1-CUL1-F-box protein)-type E3 ubiquitin ligase complex that may function in myogenesis. |

## Target Details

Aliases: F box only protein 40 antibody, F box protein 40 antibody, F-box only protein 40 antibody, FBX40 antibody, FBX40\_HUMAN antibody, Fbxo40 antibody, KIAA1195 antibody, Muscle disease related protein antibody, Muscle disease-related protein antibody

UniProt: [Q9UH90](#)

## Application Details

Restrictions: For Research Use only

## Handling

Format: Liquid

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
