Quantity:	100 µg
Target:	FOXN1
Binding Specificity:	AA 1-160
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This FOXN1 antibody is conjugated to FITC
Application:	Please inquire

## Product Details

Immunogen:	Recombinant Human Forkhead box protein N1 protein (1-160AA)
Isotype:	lgG
Cross-Reactivity:	Human
Purification:	>95%, Protein G purified

## Target Details

Target:	FOXN1
Alternative Name:	FOXN1 (FOXN1 Products)
Background:	Background: Transcriptional regulator which regulates the development, differentiation, and
	function of thymic epithelial cells (TECs) both in the prenatal and postnatal thymus. Acts as a

All rights reserved. master regulator of the TECs lineage development and is required from the onset of differentiation in progenitor TECs in the developing fetus to the final differentiation steps through which TECs mature to acquire their full functionality. Regulates, either directly or indirectly the expression of a variety of genes that mediate diverse aspects of thymus development and function, including MHC Class II, DLL4, CCL25, CTSL, CD40 and PAX1. Regulates the differentiation of the immature TECs into functional cortical TECs (cTECs) and medullary TECs (mTECs). Essential for maintenance of mTECs population in the postnatal thymus. Involved in the morphogenesis and maintenance of the three-dimensional thymic microstructure which is necessary for a fully functional thymus. Plays an important role in the maintenance of hematopoiesis and particularly T lineage progenitors within the bone marrow niche with age. Essential for the vascularization of the thymus anlage. Promotes the terminal differentiation of epithelial cells in the epidermis and hair follicles, partly by negatively regulating the activity of protein kinase C (By similarity). Plays a crucial role in the early prenatal stages of T-cell ontogeny (PubMed:21507891).

Aliases: FKHL20 antibody, Forkhead box N1 antibody, Forkhead box protein N1 antibody, FOXN 1 antibody, FOXN1 antibody, FOXN1\_HUMAN antibody, RONU antibody, Rowett nude antibody, Transcription factor winged-helix nude antibody, WHN antibody, Winged helix nude antibody, Winged-helix transcription factor nude antibody
