# Datasheet for ABIN7161116 anti-PVRL4 antibody (AA 91-199) (FITC)

#### Overview

| Quantity:            | 100 µg                                    |
|----------------------|---|
| Target:              | PVRL4                                     |
| Binding Specificity: | AA 91-199                                 |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This PVRL4 antibody is conjugated to FITC |
| Application:         | Please inquire                            |

### Product Details

| Immunogen:        | Recombinant Human Nectin-4 protein (91-199AA) |
|-------------------|---|
| lsotype:          | lgG   |
| Cross-Reactivity: | Human   |
| Purification:     | >95%, Protein G purified                      |

# Target Details

| Target:           | PVRL4  |
|-------------------|--|
| Alternative Name: | NECTIN4 (PVRL4 Products)   |
| Background:       | Background: Seems to be involved in cell adhesion through trans-homophilic and -heterophilic |
|                   | interactions, the latter including specifically interactions with NECTIN1. Does not act as   |
