Datasheet for ABIN7171848

anti-TSPAN12 antibody (AA 111-224) (FITC)

Overview

Quantity:	100 µg
Target:	TSPAN12
Binding Specificity:	AA 111-224
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Conjugate:	This TSPAN12 antibody is conjugated to FITC
Application:	Please inquire

Product Details

Immunogen:	Recombinant Human Tetraspanin-12 protein (111-224AA)
Isotype:	IgG
Cross-Reactivity:	Human
Purification:	>95%, Protein G purified

Target Details

Target:	TSPAN12
Alternative Name:	TSPAN12 (TSPAN12 Products)
Background:	Background: Regulator of cell surface receptor signal transduction. Plays a central role in retinal vascularization by regulating norrin (NDP) signal transduction. Acts in concert with norrin (NDP)

Target Details

to promote FZD4 multimerization and subsequent activation of FZD4, leading to promote accumulation of beta-catenin (CTNNB1) and stimulate LEF/TCF-mediated transcriptional programs. Surprisingly, it only activate the norrin (NDP)-dependent activation of FZD4, while it does not activate the Wnt-dependent activation of FZD4, suggesting the existence of a Wnt-independent signaling that also promote accumulation the beta-catenin (CTNNB1) (By similarity). Acts as a regulator of membrane proteinases such as ADAM10 and MMP14/MT1-MMP. Activates ADAM10-dependent cleavage activity of amyloid precursor protein (APP). Activates MMP14/MT1-MMP-dependent cleavage activity.

Aliases: TSPAN12 antibody, NET2 antibody, TM4SF12 antibody, UNQ774/PRO1568Tetraspanin-12 antibody, Tspan-12 antibody, Tetraspan NET-2 antibody, Transmembrane 4 superfamily member 12 antibody

UniProt: [O95859](#)

Application Details

Restrictions: For Research Use only

Handling

Format: Liquid

Buffer: Preservative: 0.03 % Proclin 300
Constituents: 50 % Glycerol, 0.01M PBS, pH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C, -80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
