Datasheet for ABIN7171936  
**anti-TTC33 antibody (AA 1-262) (Biotin)**

### Overview

|                      |   |
|----------------------|---|
| Quantity:            | 100 µg                                      |
| Target:              | TTC33                                       |
| Binding Specificity: | AA 1-262                                    |
| Reactivity:          | Human                                       |
| Host:                | Rabbit                                      |
| Clonality:           | Polyclonal                                  |
| Conjugate:           | This TTC33 antibody is conjugated to Biotin |
| Application:         | ELISA                                       |

### Product Details

|                   |   |
|-------------------|---|
| Immunogen:        | Recombinant Human Tetratricopeptide repeat protein 33 protein (1-262AA) |
| Isotype:          | IgG   |
| Cross-Reactivity: | Human   |
| Purification:     | >95%, Protein G purified  |

### Target Details

|                   |   |
|-------------------|---|
| Target:           | TTC33   |
| Alternative Name: | TTC33 ( <a href="#">TTC33 Products</a> )  |
| Background:       | Osmosis responsive factor antibody, Osmosis-responsive factor antibody, OSRF antibody, Tetratricopeptide repeat domain 33 antibody, Tetratricopeptide repeat protein 33 antibody, TPR |

## Target Details

---

repeat protein 33 antibody, TTC33 antibody, TTC33\_HUMAN antibody

---

UniProt: [Q6PID6](#)

## Application Details

---

Application Notes: Optimal working dilution should be determined by the investigator.

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

---

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

---

Preservative: ProClin

---

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

---

Storage: -20 °C,-80 °C

---

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
