

Datasheet for ABIN7173379

**anti-HADHB antibody (AA 35-283) (FITC)**[Go to Product page](#)

## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 100 µg                                    |
| Target:              | HADHB                                     |
| Binding Specificity: | AA 35-283                                 |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This HADHB antibody is conjugated to FITC |
| Application:         | Please inquire                            |

## Product Details

|                   |                                                                                       |
|-------------------|---------------------------------------------------------------------------------------|
| Immunogen:        | Recombinant Human Trifunctional enzyme subunit beta, mitochondrial protein (35-283AA) |
| Isotype:          | IgG                                                                                   |
| Cross-Reactivity: | Human                                                                                 |
| Purification:     | >95%, Protein G purified                                                              |

## Target Details

|                   |                                                                                                                                                                                    |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | HADHB                                                                                                                                                                              |
| Alternative Name: | HADHB ( <a href="#">HADHB Products</a> )                                                                                                                                           |
| Background:       | 2 enoyl Coenzyme A (CoA) hydratase beta subunit antibody, 3 ketoacyl Coenzyme A (CoA) thiolase of mitochondrial trifunctional protein beta subunit antibody, 3 ketoacyl Coenzyme A |

Target Details

thiolase antibody, 3 ketoacyl Coenzyme A thiolase of mitochondrial trifunctional protein beta subunit antibody, 3-ketoacyl-CoA thiolase antibody, Acetyl CoA acyltransferase antibody, Acetyl-CoA acyltransferase antibody, Beta ketothiolase antibody, Beta-ketothiolase antibody, ECHB antibody, ECHB\_HUMAN antibody, HADH antibody, Hadhb antibody, Hydroxyacyl CoA dehydrogenase/3 ketoacyl CoA thiolase/enoyl CoA hydratase (trifunctional protein), beta subunit antibody, Hydroxyacyl Coenzyme A (CoA) dehydrogenase beta subunit antibody, Hydroxyacyl Coenzyme A dehydrogenase antibody, Hydroxyacyl Coenzyme A dehydrogenase beta subunit antibody, Hydroxyacyl Coenzyme A dehydrogenase/3 ketoacyl Coenzyme A thiolase/enoyl Coenzyme A hydratase (trifunctional protein) beta subunit antibody, MGC87480 antibody, Mitochondrial trifunctional enzyme beta subunit antibody, Mitochondrial trifunctional protein beta subunit antibody, MSTP 029 antibody, MSTP029 antibody, MTPB antibody, TP beta antibody, TP-beta antibody, TPbeta antibody, Trifunctional enzyme subunit beta antibody, Trifunctional enzyme subunit beta mitochondrial antibody, Trifunctional protein antibody

UniProt: [P55084](#)

Pathways: [Monocarboxylic Acid Catabolic Process](#)

Application Details

Restrictions: For Research Use only

Handling

Format: Liquid

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
