**anti-WDR89 antibody (AA 1-387) (FITC)**[Go to Product page](#)

## Overview

|                      |                                           |
|----------------------|-------------------------------------------|
| Quantity:            | 100 µg                                    |
| Target:              | WDR89                                     |
| Binding Specificity: | AA 1-387                                  |
| Reactivity:          | Human                                     |
| Host:                | Rabbit                                    |
| Clonality:           | Polyclonal                                |
| Conjugate:           | This WDR89 antibody is conjugated to FITC |
| Application:         | Please inquire                            |

## Product Details

|                   |                                                                     |
|-------------------|---------------------------------------------------------------------|
| Immunogen:        | Recombinant Human WD repeat-containing protein 89 protein (1-387AA) |
| Isotype:          | IgG                                                                 |
| Cross-Reactivity: | Human                                                               |
| Purification:     | >95%, Protein G purified                                            |

## Target Details

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| Target:           | WDR89                                                                                          |
| Alternative Name: | WDR89 ( <a href="#">WDR89 Products</a> )                                                       |
| Background:       | WDR89 antibody, C14orf150 antibody, MSTP050 antibody, WD repeat-containing protein 89 antibody |

## Target Details

---

UniProt: [Q96FK6](#)

## Application Details

---

Restrictions: For Research Use only

## Handling

---

Format: Liquid

Buffer: Preservative: 0.03 % Proclin 300  
Constituents: 50 % Glycerol, 0.01M PBS, PH 7.4

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Storage: -20 °C,-80 °C

Storage Comment: Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.
